Bulletin Board Kit - Home Dialysis

How to use your Bulletin Board Kit

1. Look at the Display Board Idea on page 13
2. Cut out the pieces
3. Invite a patient to assist you with creating the display
4. Make sure the display is in an area where patients can see it
5. Engage patients by selecting one or more of the following ideas:
   - Ask home program patients to fill in a heart with their reason why they love home therapies.
   - Play videos on lobby TV's or patient TV's sharing patient stories about home therapies.
   - Educate patients on treatment options and aligning treatment options with patient goals.
6. Consider adding a folder with handouts patients can take with them.
   - Ten Benefits of Home Dialysis
   - Explore Your Kidney Treatment Options
   - Home Dialysis Passport
   - Home Hemodialysis
   - Peritoneal Dialysis
7. Take a photo and send it to the Networks at Qsource-QIDept@qsource.org.
