

Bulletin Board Kit

A Day at the Beach With Your Patients

Summer is here! Use this bulletin board kit to celebrate the season and have your patients and staff members write down their favorite things to experience over the summer. Ask your Peer in Action to help you put this board together, and if you don't have a patient appointed as the Peer in Action, ask any patient(s) to help you.

How to use your Bulletin Board Kit

1. Print these pages and cut out the shapes.
2. Use construction or craft paper to create the sky, sand, and water.
3. Put your bulletin board up in an area where everyone can see it.
4. Take a picture and send it to the Network at: Qsource-Peers@qsource.org.
