

Meet the Employment Networks Ready to Support Kidney Patients

The following are some of the many resources out there for your patients to consider. These organizations have partnered with us to assist you in getting your patients the services they need. Please feel free to reach out to any or all of them as some are regional but many are national. Read the descriptions to find out more.

Alliance Professional Services, LLC

Phone: 1-800-518-9038

Website: www.AllianceProfessionalServices.org

On-line Appointment Scheduler: <https://allianceprofessionalservicesllc.as.me/>

Alliance Professional Services, LLC has served over 1,500 individuals with disabilities since 2008 and we continue to celebrate with each individual as they successfully graduate from our Ticket to Work program! Services are provided to individuals who want to find work, as well as those who recently began working.

At Alliance, we focus on each individual's abilities and goals to find creative pathways for our clients to achieve their work-related and financial goals. Because we are a national virtual Employment Network providing services through telephonic one-on-one coaching sessions, augmented by on-line resources, training webinars, and self-guided training opportunities, we are able to assist individuals anywhere in the country. Not only do we offer pre-employment and post-employment services, we also provide Work Incentive Counseling to help with benefits planning, and we offer a Gift Card Program for those who become employed!

Our dedicated, well qualified Success Counselors are here and ready to assist you!

The Choice Group

Primary Contact: Rachel Hoffman

Phone: (804) 221-8701

Website: www.thechoicegroup.com/ttw

Email: TTW@thechoicegroup.com

Founded in 1998, The Choice Group has dedicated over 20 years to helping our clients find meaningful employment as a part of a full and enriching lifestyle. Those who encounter varying obstacles to entering the competitive work force find their efforts become more productive when paired with The Choice Group's assistance. Some of our clients' success is found through various state and federal resources. We also work with school systems, insurance companies or even private referrals. No matter where you are on your journey, we strive to help you achieve your goals of employment and self-sufficiency as far as you'd like to take them. We've had thousands of clients in our years as counselors and it has been a joy and an inspiration to share in their achievements.

Easter Seals (National Employment Network)

Phone: 800-471-6425

Website: www.easterseals.com/ne

Email: ttw@ne.easterseals.com

Nebraska [Ticket to Work](#) is a free employment service program developed by the Social Security Administration (SSA). Easterseals Nebraska works with the SSA as an Employment Network to offer this program to individuals who are receiving Social Security disability benefits and who are interested in obtaining or advancing in employment. The program provides services to help participants achieve greater independence and self-sufficiency through employment.

Our program has two primary areas of focus:

1. Employment Assistance and Follow Along Support - assists SSDI beneficiaries and SSI recipients in obtaining and retaining employment.
 2. Benefits Planning and Work Incentives Counseling - assists disability beneficiaries in understanding how federal cash (SSDI or SSI) and healthcare (Medicare/Medicaid) benefits are impacted by work. This service also helps individuals understand and utilize the state and federal work incentives available and assists with community resource navigation to support the transition to gainful employment.
