

Pocket Cards: Reducing Hospitalizations

Please cut out these these pocket-sized tip cards and pass out to your patients to educate them on ways to avoid hospitalizations. These cards contain tips that will be beneficial to your patients' overall health and ultimately reduce their trips to the hospital emergency room.

<p>Tips to Avoid Hospitalizations</p> <ul style="list-style-type: none"> • Complete all treatments • Follow your fluid intake orders • Follow renal diabetic diet • Keep hands and access clean • Keep all appointments with doctors • Follow medicine schedule • Get your vaccinations  <p>You know your body, and you are your best advocate.</p>	<p>Tips to Avoid Hospitalizations</p> <ul style="list-style-type: none"> • Complete all treatments • Follow your fluid intake orders • Follow renal diabetic diet • Keep hands and access clean • Keep all appointments with doctors • Follow medicine schedule • Get your vaccinations  <p>You know your body, and you are your best advocate.</p>
