

My Glow For Low Phosphorus Staff Pledge

Phosphorus awareness is our time to shine as one team! Together, we play a powerful role in supporting healthier phosphorus levels and helping every patient glow brighter by protecting their bones, heart, and overall health.

I Pledge To...

- Reinforce binder timing** -take binders with their first bite.
- Ask questions and seek clarity** when I need support.
- Educate confidently**, explaining phosphorus and binders in simple ways.
- Encourage small steps**, recognizing that every effort counts.
- Promote a positive, bright clinic culture** where education is uplifting.

Why I Pledge

Because brighter support means:

- Empowered patients
- Stronger bones
- Better labs
- Healthier hearts
- A brighter clinic community
