

Ultimate Protection Bulletin Board Kit

How to use your Bulletin Board Kit

1. Review the Display Board Idea
2. Cut out the shapes provided for your bulletin board.
3. Use poster letters and construction paper to make the bulletin board title banner.
4. Have a patient(s) assist you in creating your board.
5. Use the blank shields to write down your own vaccination information.
6. Put your bulletin board up in an area where everyone can see it.
7. Take a picture and send it to the Network at:
Qsource-Peers@qsource.org.

PNEUMONIA

One Shot to
Become Fully
Vaccinated

**Three Shots
to be
Fully Protected**

A blue shield-shaped icon with a light blue border and a dark blue outline. The text is centered in white.

FLU

**One Shot
Per Year**

A pink shield-shaped icon with a light blue border and a dark pink outline. The text is centered in white.

RSV

**One Shot
per 1-2
RSV Seasons**

COVID-19

**One Shot
to Become
Up-To-Date**

Use the blank shields to add additional vaccines.

Use this tower or create a larger one with construction paper.

Talk with your doctor or nurse to find out what vaccines you need to be up-to-date and fight off these viruses and diseases.

Weaker Immune System

Higher Risk of Infection

Higher Risk of Hospitalization from Complications

Optional: Use construction paper to build a castle.
